HONE THESE FIVE EDGES, AND YOU'LL DO WELL.

It's what you will be better at than AI

FIVE EDGES OVER AI

What you will be better at than AI - and why we can teach it

The skill

Why us

**EDGE
1**

Adaptability

Job and path stay relevant.
Farmers outlast every tech shift.

Naxos fertile 5,000+ years on scarce resources. AI shrinks desk jobs - we build hands-on skills plus a hobby. AI assists, tool not a crutch.

**EDGE
2**

Creativity

Creativity under pressure -
farm crucibles and debriefs.

We pair AI with human creativity in public speaking and side hustles.

**EDGE
3**

Discipline

No AI discipline, memory or empathy. Anna: Plan, Do, Keep It Going.

Reinforced with memory techniques and volunteer work with EKO Greece.

**EDGE
4**

Practical Life Skills

Hands-on skills stay yours -
cook, grow food, budget.

Anthony teaches hands-on AI for your career. EKO and Charles: research and interview confidence.

**EDGE
5**

Purpose

Learning still matters.
Reflections in Greece find your value.

The DARC module gives you a personal report and Life Plan. Leave with an AI Survival Plan and EDC-registered certificates.

LEARN FROM PEOPLE WHO HAVE DONE IT, IN PLACES WORTH REMEMBERING.

Real trainers. Real classrooms. Real money.
